for your pets

October 12 is  
**National**  
**pet obesity**  
awareness day

# Tips & tails

An estimated  
**59%** & **54%**  
 of *dogs* of *cats*  
 in the United States  
 Are Overweight or Obese.

National Pet Obesity Awareness Day is October 12 but something we should be thinking about all year long. It is just as important to maintain a healthy weight in your pet as it is in yourself. Overweight pets can be impacted by joint problems, as well as heart and breathing problems. Learn more about how to maintain a healthy weight for your pet by visiting [www.petobesityprevention.org](http://www.petobesityprevention.org)
